

Entomological Society of Alberta Undergraduate Award in Entomology

The ESA invites undergraduate students to apply for the Undergraduate Award in Entomology that is sponsored by the ESA. The Award is valued at \$500 and may be presented annually by the ESA to a deserving undergraduate student in recognition of the academic achievements related to entomology. Normally, the name and institution affiliation of the Undergraduate Award recipient is announced at the Annual Meeting banquet and posted on the ESA website.

To be eligible to hold an Award, students must attend a university or other post-secondary institution in Alberta, or have graduated no more than six months prior to the deadline for applications.

To apply for the Award, please submit the following:

- A letter of interest addressed to the Awards Committee of the ESA, that includes the following: name, postal address, telephone and fax number, e-mail address, educational institution attended, degree pursued and number of years completed;
- A letter of support written by your major professor;
- Documents which demonstrate academic achievement that may include transcripts, copies of papers written about entomology (e.g., independent study or peer review paper), picture or list of identified insects in your collection, etc.

Applications should be sent to the Secretary of the ESA no later than September 22nd, 2018. Late or incomplete applications will not be accepted. The address for the Secretary may be found on the Society's website at <http://www.entsocalberta.ca/boardcurrent.htm>.
